

PVD Chrome “Limited” Warranty

Detroit Wheel and Tire warrants that our PVD Chrome coatings will remain free from defects in material and workmanship, under normal and intended use. Our “Limited” warranty covers the first three (3) years from the original date of invoice, for the original owner. We will have your wheel re-coated, free of charge, as specified below. This warranty only covers the “PVD Coating”, not the actual wheel.

Note: This warranty only applies to the original owner and is not transferable. In no event shall Detroit Wheel and Tire be liable for any special, incidental or consequential damages.

What We Cover Under the Warranty

- ✓ Any pitting and or peeling on wheel surface within 3 years of invoice date.
- ✓ Any form of de-lamination of the chrome and/or clear coat.
- ✓ Any form of wheel discoloration caused by UV rays.

What We Do Not Cover Under the Warranty

- ✓ Any wheel damage like curb rash or any impacts caused by adverse road conditions (e.g. potholes, impact damage caused by stones or other road debris, hitting curbs, or any type of collision).
- ✓ Deep cuts into wheel.
- ✓ Use of any wheel cleaner that is not “Clear-Coat” safe.
- ✓ Use of acid-based cleaners or equivalent will void your warranty.
- ✓ Any mounting and balancing damage.

To Start a Warranty Claim

To initiate a warranty claim, the customer shall first email pictures of the wheel for inspection. If a determination cannot be made from photos, the wheel must be returned for a visual inspection. The original sales invoice must be included. If it is determined that the wheel has failed to perform as expected under this warranty the wheel will be re-coated or replaced at the sole and absolute discretion of Detroit Wheel and Tire. Such re-coating or replacement shall not include the cost of removal, shipping, installation, or reinstallation of the wheel. Newly re-coated wheels may be a few shades off from the original wheels.

NOTE: If returned items are found ineligible for warranty coverage, the items will be returned to the customer, without repair or replacement, at the customers expense.
